This is YOUR rare opportunity to own a remarkable two bedroom condo with amazing views, plus low and stable condo fees in a cozy, well-managed building! Just steps away from parks, shops and local amenities, the almost 750 square feet of bright and inviting living space makes for ample room to live, entertain, and even have a home office. With only 8 units, the condo corp is easily self-managed which keeps the condo fees incredibly low. Most condo buildings have high condo fees to cover the cost of management companies and elevator maintenance. But not here! The small but responsible condo board of neighbours makes for great communication, friendly governance, and have kept this building well-maintained - PLUS have invested for the future by replacing the boiler heating, the windows, siding, and even the roofing! It's in amazing condition! The amazing west-facing TOP FLOOR location makes for stunning views while providing a wonderful sense privacy so you can live life while enjoying the sunset at the end of every day! The bright and clean living space shows evidence of the owner's love of the property over the years. Touches like new appliances, bidet-toilet combo with heated seat, USB wall charging plugs, and modern LED lighting add to the functionality of this open and inviting floor plan. The NEST thermostat makes for easy temperature control from your phone, while the extra cabinetry provides ample storage. AND the list goes on&hellip; like frosted-french doors, under-cabinet lights, rain-head shower, and custom tile floors in the entry and bathroom. It's well worth a visit! There are other important things here that you just won't find anywhere else... As there are only two condos per floor, they benefit from cross-breezes by having windows on three sides of the building. Plus, for those wintery-feeling nights, the wood-burning

fireplace makes for cheery coziness (a hard-to-find feature in condos!). In-unit storage & laundry also ensures that everything you need is conveniently accessible! Major transit routes are only a block away, parks, tennis and outdoor pathways are within a few minutes's walk, and the downtown core is a quick 15 minute bike ride (made easier with the bike storage room downstairs). The building's ample parking is securely located behind the building and is accessed from the front street. Whether you're looking for an investment property, or a place to call home - don't miss out on this amazing opportunity for ideal inner city living - these units don't come up often!
