You asked - we answered! A fully finished bi-level + bonus in Cottonwood, backing onto the lake! This 5 bedroom, 3 bathroom home has a walk-out basement, wet bar and great views, the perfect recipe for your next family home. There's plentiful parking on this extended driveway with custom inlays. A cute front porch greets you as you step into this 1,768 sq/ft home with vaulted ceilings, a bright and open concept main floor with granite adorned kitchen, fantastic views from your dining area and 2 bedrooms on the main floor that share a 4 piece bathroom. Taking a few steps upstairs you have your primary retreat! This unique space offers a loft that works well as a home office, a spacious bedroom with walk-in closet and 5 piece ensuite! The basement is a cozy place to relax, boasting a gas fireplace, wet bar and access to the backyard. 2 more bedrooms, a 4 piece bathroom and laundry room round out the basement. There's 2 decks (one covered, one uncovered) to give you options for your outdoor spaces! A landscaped yard meets the Cottonwood park that you back onto! With amenities nearby, a family friendly community and even a golf course less than 2 blocks away, you're set to enjoy this home for years to come!
