Step into this dream home - complete with unique features, high end finishes and enough space for the whole family! This custom build offers distinct variety within Sixmile - a bi-level bonus that is thoughtful, creative and enjoys a spacious corner lot. The entrance of this home has a WOW factor! Soaring ceilings, bespoke stair railings, a wrap-around main floor and plentiful natural light. There's great flow as you progress into the home; a designated dining area, main floor office, cozy living room with gas fireplace, TWO covered decks (both with natural gas hook ups), a quartz adorned kitchen with well sized pantry, half bathroom and spacious laundry room. The primary suite rounds out the main floor with a custom walk-in closet, 4 piece ensuite and well sized bedroom! The upper floor greets you with a bonus living room, 2 spacious bedrooms and a 5 piece bathroom featuring dual vanities and a separate toilet/shower room! The basement rounds out this home with a HUGE family room that spans the whole length of the home! On one side you'll find a gorgeous wet bar, on the other a cozy fireplace with built in shelving, perfect for movie nights! There's yet another 2 bedrooms (both with walk-in closets), a 4 piece bathroom and the hidden gem in this home is the tremendous amount of storage! Take a few steps into the mechanical room to find a ton of bonus storage space for all your seasonal items! The garage offers tall ceilings and reinforced floors to host a car lift. Fully landscaped, fenced and ready for you to move in with great access to amenities!
