A rare business opportunity is waiting for you. This is an excellent business opportunity to operate the fantastic franchise Coffee house in a busy location year around. This is one of the busiest Franchise Coffee Houses located in an iconic location in Calgary. The business presents with a high volume sales, easy to operate business model and absolutely best location you can imagine. New lease with a reasonable rent fee (very competitive rate) is in placed. This sale includes Two locations and their sizes are as followings: One is 668.33 square feet and the other location is : 430 square feet, both locations are busy with customers all year around. One of them is a Kiosk type and the other location has a large seating area (all seating areas are maintained by the Landlord). The Coffee house is a well known franchise and presents with excellent sales figures. Please do not approach to the staff or to an owner without prior appointments. Please respect the business.
