Excellent renovated property close to Peace River in Northern Sunrise County - this is a 3 acre parcel with access of the paved road completed by the county a few years ago - less than 100 feet of gravel road and located 15 minutes from Peace River. The house has been renovated and upgrades have changed its effective age as indicated by the county assessment to 2003. A bonus feature is the large shop 24 X 40 with a 12 foot overhead door, powered and insulated and heated. The yard has a large treed draw on the west end of the property separating it from its neighbor and there are many planted trees and shrubs around the perimeter giving a nice private feeling. This is a great starter acreage for the young family looking for a lifestyle outside to residential options in Peace River and its priced to be an option for many buyers...the sign is up!!
