Welcome to this impressive modified bi-level home, perfectly situated along the sought-after Cygnet Boulevard in Crystal Lake. Offering an abundance of space and thoughtful design, this home features 6 generous bedrooms, 3 bathrooms, and 3 distinct living areas, plus a dedicated office—ideal for families of all sizes. The luxurious master suite is a standout, located above the garage with a spacious walk-around closet, a large ensuite with in-suite laundry, and the potential to add a cozy fireplace for ultimate comfort. On the main level, you'll find a bright and inviting front family room, a centrally located office/library, and a second living area at the rear of the home that seamlessly connects to the expansive kitchen and dining space. The kitchen boasts a large island, pantry, ample cabinetry, and direct access to a covered deck—perfect for entertaining while enjoying views of the backyard. This level also includes two oversized bedrooms and a full bathroom. The fully finished basement is designed for relaxation and functionality, featuring an entertainment room, three additional bedrooms, a bathroom, a second laundry room, and a utility room. Additional highlights of this well-built home include central air, and in-floor heating for year-round comfort. The heated triple-car garage offers ample space for parking and can easily transform into the ultimate man cave or workshop. The yard features beautiful fruit trees and a green house for those that love to garden. Don't miss out on this exceptional home—it's ready to be your next dream home!
