Situated across from Saddlemont playground and just around the corner from the Light of Christ catholic school, this home has a fantastic location. The home features 3 bedroom on the upper level and office/den room on the main which could easily be used as a fourth bedroom. The basement is undeveloped which allows for expansion to fit you and your family's needs This recently improved home has just undergone a new exterior updating with new vinyl siding, new asphalt shingles and soon to come eaves and down spouts. Other recently updated items include a new Kenmore refrigerator, new central vac hose and attachments, a new hot water heater and recent air conditioning. There is ample street parking and a concrete pad at the rear of the house which allows for RV parking with great rear alley access.
