Nestled in the peaceful, family-friendly Key Ranch community, this home offers a serene environment with walking paths and easy access to local amenities. Enjoy the best of both worlds: a quiet, suburban setting just moments from everything you need. This luxurious walkout home features a rear elevated deck and ground-level concrete patio, perfect for outdoor entertaining. The spacious main floor flex room with sliding barn doors is ideal for a home office or study. Inside, you’ll find 9' knockdown ceilings and a stunning L-shaped kitchen with a large central island, walk-through pantry, stainless steel appliances, quartz countertops, and soft-close cabinets. The primary bedroom retreat offers a 5-piece ensuite with a free-standing soaker tub, walk-in shower, and dual vanities. Additional highlights include luxury vinyl plank flooring, a 50" electric fireplace, triple-pane windows, high-efficiency furnace, and an included Smart Home System for added convenience.
