Here is a spectacular home that checks all of the boxes!!! This beautifully maintained and extensively upgraded and updated walk-out bungalow backs on to Heritage Circle Park, and it features an ultra quiet cul-de-sac location, a sought-after East facing back yard, extensive renovations and upgrades (please refer to the "Notes from the Owner" in the Supplements), a bright sun-filled floor plan with more than 1400 square feet of main floor living space, 2 plus 2 bedrooms and 3 upgraded full bathrooms, a brand new kitchen with top quality stainless appliances and sprawling granite counter tops, upgraded hardwood, porcelain tile and luxury vinyl plank flooring, a beautiful primary suite with a brand new 5 piece ensuite and walk in closet with integrated main floor laundry, a fully finished 9 foot high basement with an enormous family room and games room with an "included" top-quality 10 foot pool table, a remote controlled gas fireplace, a utility room that features "home-run" plumbing with individual system lines, underground sprinkler controls, an upgraded 50 gallon water heater, new central vacuum and attachments, top quality "Trane" air conditioning, and a fully finished double garage with an upgraded garage door and opener. The low maintenance back deck has been recently expanded and is a wonderful, sheltered spot that overlooks the park. This home has it all - the neighbours and neighborhood are fantastic, and the Heritage Circle park location is close to shopping, schools, transportation and endless walking paths and the coulees... this one can't be beat!!!
