With just shy of 11,000 sq/ft, this lot offers you a spacious yard, super sized detached garage and enough parking for all your guests to park off-street! This home has been lovingly renovated and upgraded in the past few years, with over \$65,000 spent on features such as a new sunroom, garage heater, toilets, carpet, EV charging (220V), soffit, fascia, gutters, paint, fencing, concrete pad and SO much more! This bi-level home offers a bright main floor with 2 living areas thanks to the 4 season sunroom, dining area and cozy kitchen with stainless steel appliances. There's 2 bedrooms up that share a 4 piece bathroom to round out the main floor. The basement is a walk-out from the secondary sun room, 2 more bedrooms, 3 piece bathroom, laundry room, private family room and plentiful storage space. The detached garage measures 30'6" x 21'5" and is heated with EV charging. The yard has a newly installed fence, spacious garden areas and a patio to enjoy this summer!
